- (d) the conduct of a person must be dealt with in terms of the prescripts applicable to the Electoral Commission.

If it is established that a person has committed a transgression in terms of the above, or any other transgression of SCM prescripts, the bid may be rejected and the person may be restricted.

The Electoral Commission's Accounting Officer/accounting authority must inform National Treasury of any action taken against a person within 30 days of implementing the action.

During the bid evaluation process, the Electoral Commission must in addition to other due diligence measures, establish if a person is not listed in-

- (a) the Register of Tender Defaulters; and
